

Westword BEST of DENVER 2015

There's a sense of fun in Ken Carrick's Parker-based online doggie boutique, what with all the over-the-top pajamas, hound snoods, robes and bling available to accessorize your four-legged fashion plate with. But that's no reason to turn up your nose at the handcrafted blankets, bandannas, pillows, beds and more that the site has to offer, all designed with your pet's comfort in mind. Barking Bitches even has a couple of items that might appeal to cats — and as any cat lover knows, appeasing Kitty is no walk in the park. [March 2015]
